Be a winner  
with Intergas

The World Cup may only last a month, but we kick off our new promotion on 1st July 2018 and it will last for TWO years. Yes, TWO years to score more points and win even better prizes.

Eyes right and you can see what we've got lined up for you when you install our boilers. But it gets better; we've extended the cut-off date so we can change and add to the prizes, giving you an even bigger choice.

There's one important change to our promotions; from now on, only those installers who have registered at least one boiler warranty through the MiREG app or the MiREG installer portal can participate in our promotions. Not registered yet? Visit [myintergasregistration.co.uk/app/register](http://myintergasregistration.co.uk/app/register)
