

X-RANGE HOW TO TURN COMBI TO HEAT ONLY

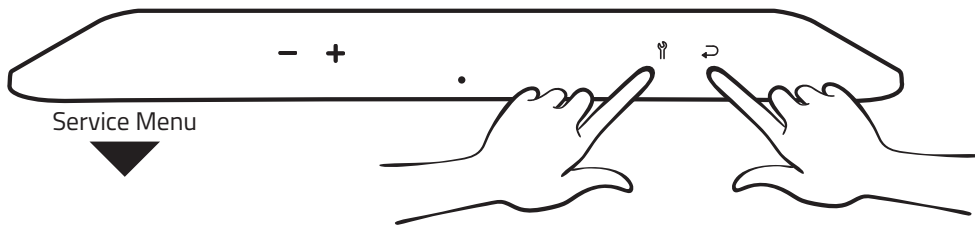

Step-by-Step Guide

Please follow the below steps to convert the Xrange boiler from a combi to heat only.

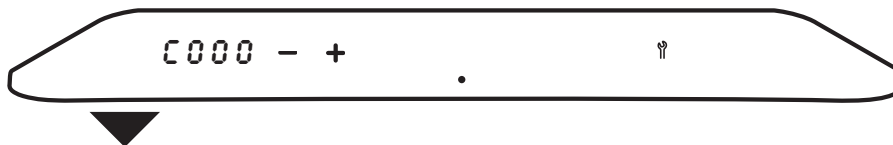

1. Press briefly just above the white dot on the front of the boiler
2. Press the spanner button for 2 seconds and release

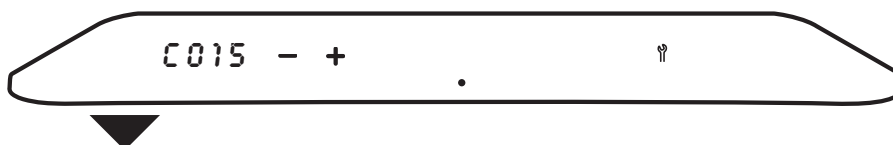

3. Press the spanner and return arrow together

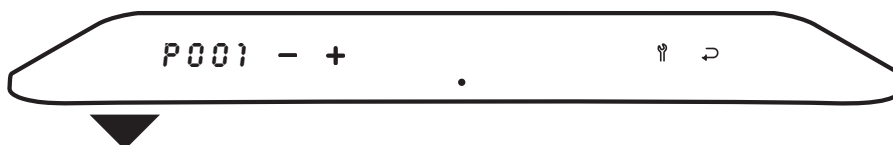

4. C000 will be shown on the display

5. Use the + button and scroll to C015

6. Press the spanner button once and P001 will be shown

7. Press the spanner and 0 will appear, use the plus button and change the 0 to 3
8. Press the return arrow on the right hand side to save this setting change
