BOILERS

Who'd have thought installing our boilers would be so rewarding? And now we've got even more exciting rewards for you to choose from - just take a look at the great selection below! And the good news keeps coming... we're now including Rapid and Rapid Plus boiler registrations too. If you've installed either or both of these boilers, starting 1st January 2019, they will count.

This promotion runs until 30th June 2020, but you can claim your rewards whenever you're ready. We will, from time to time, change some of the more seasonal rewards and add new ones

For full terms and conditions visit [www.myintergasregistration.co.uk](http://www.myintergasregistration.co.uk)

too, so please take a look at the website from time to time to check them out.

Just in case you weren't aware of this, only installers who are registered with MiREG can participate in Intergas promotions; if you aren't registered, please visit [www.myintergasregistration.co.uk/app/register](http://www.myintergasregistration.co.uk/app/register)

Don't forget, to unlock those rewards you need to register your boilers using the MiREG app or portal NOT the Intergas website.
